¹ Includes all outstanding direct loans (FO, OL, and EM). ² Exclusive of waivers and exemptions for beginning farmers. ³ Revised from 2014 Report. ⁴ Groups are not mutually exclusive. A beginning farmer may also be a racial-ethnic minority, woman, or veteran. ⁵ Qualified beginning farmer (defined as 10 or less years of farming experience) at time of last direct OL obligation. ⁶ Not all direct borrowers may be eligible voters resulting in the number of eligible voters being less than number of borrowers. A legal entity may be a borrower, but only the individual members would be listed as eligible COC voters.

¹ Each active DOL borrower is counted once under each of the three categories--race, ethnicity, and gender. Hence, the totals for each combination of race-ethnicity-gender and years of remaining eligibility are equivalent.

² Youth Loans and Microloans to beginning farmers and veterans are exempt from DOL term limits.

³ Active DOL "underserved" borrowers exclude all active DOL borrowers who are white, non-Hispanic males.
