258 Eligibility Determinations

A Actively Engaged in Farming

[7 CFR 1400.204] A corporation, LLC, LLP, or LP must be considered to be actively engaged in farming, if **all** of the requirements in this table are met.

Item	Requirement
1	The legal entity independently and separately makes a significant contribution of capital, equipment, land, or combination thereof.
2	Partners, stockholders, or members with an ownership interest in the legal entity make contributions, whether compensated or not compensated, of active personal labor, active personal management, or a combination of active personal labor and active personal management to the farming operation.
3	The collective contribution of active personal labor or active personal management by partners, stockholders, or members must be a significant contribution to the farming operation.
4	The legal entity's share of the profits or losses from the farming operation is commensurate with the contributions to the farming operation.
5	The legal entity's contributions are at risk, with the level of risk being commensurate with the legal entity's claimed share of the farming operation.

Note: Landowners will be considered Actively Engaged in Farming on owned land, according to paragraph 152, even though the above contributions are not being made. Cropland factors may apply.

B Member Contribution Requirements

In addition to the requirements of actively engaged in farming, all partners, stockholders, or members with an ownership interest in the legal entity **must** make contributions of active personal labor and/or active personal management to the farming operation of the legal entity that are:

- performed on a regular basis
- identifiable and documentable
- separate and distinct from contributions of any other partner, stockholder, or member.

Note: If a partner, stockholder, or member fails to meet this requirement, payments subject to the actively engaged in farming determination will be reduced by the share held by that partner, stock, or member.

258 Eligibility Determinations (Continued)

C Exceptions to Member Contribution Requirements

The following are exceptions to the requirements of subparagraph B.

Payments less than 1 limitation – If the total of program payments and benefits subject to actively engaged in farming provisions, received both directly and indirectly, for the program year by the partners, stockholders, and members does **not** exceed \$125,000, the requirement of a significant contribution of active personal labor or active personal management may be met by partners, stockholders, or members who collectively hold at least 50 percent of the ownership interest in the legal entity.

***--Notes:** Benefits applicable to this exception are ARCPLC and ECAP payments.

When total payments and benefits for the applicable program year are unknown,--* timely make all payment eligibility and limitation determinations with the assumption that this exception is met by a farming operation that requests this exception. When the total amount of payments and benefits subject to the \$125,000 limitation received by the farm is known, revisit the eligibility determinations of record. If total program payments and benefits issued to the farming operation exceed the \$125,000 annual limitation, then redetermine eligibility accordingly.

Spouses – If both spouses are interest holders in the same legal entity, the contribution of active personal labor and/or active personal management of 1 spouse to the farming operation of the legal entity will also meet the other spouse's requirement to make a contribution of active personal labor and/or active personal management to the farming operation of the legal entity.

Minor children – If a parent is an interest holder in a legal entity in which his or her minor children are also interest holders, the parent's contribution of active personal labor and/or active personal management to the legal entity's farming operation will also meet the requirement that each minor child **must** make a contribution of active personal labor and/or active personal management to the same farming operation.

Spouses and minor children – If both spouses and minor children are in the same legal entity, the contributions of 1 spouse/parent of active personal labor and/or active personal management to the legal entity's farming operation will meet the requirements that all these interest holders of the legal entity **must** contribute active personal labor and/or active personal management to the legal entity's farming operation.

Note: Contributors of active personal labor and/or active personal management to a legal entity's farming operation **must** hold an ownership interest in the legal entity at the time the contributions are made.

Landowner – If all land in the legal entity's farming operation is owned by the legal entity, the requirements of subparagraph A do **not** apply to the interest holders of the legal entity.

Section 9 States, Public Schools, Political Subdivisions, and Agencies

310 Eligibility of States, Political Subdivisions, and Agencies

A Rule [7 CFR 1400.102]

States, including agencies, divisions, or political subdivisions thereof, are ineligible for program payments, **except** as provided in subparagraph B.

B Exceptions to Rule

***--Exception 1:** ECAP or ARC and PLC payments received with respect to land owned by--* the State and used to support public schools are authorized but limited to \$500,000 annually.

Note: The term “public school” includes State universities.

***--Exception 2:** ECAP or ARC and PLC payments issued to States under Exception 1 are--* **not** limited if the State has a population of less than 1.5 million using the most recent U.S. Census Bureau data.

Note: For 2018 and future years, or until further notice, the States that meet the criteria are Alaska, Delaware, Hawaii, Maine, Montana, North Dakota, New Hampshire, Rhode Island, South Dakota, Vermont, and Wyoming.

C Written Verification

If the requirements in subparagraph B are met and the payments are **not** issued directly to a public school, written verification **must** be obtained from the State Board of Education, or other authorized official, that payments are used solely for the support of public schools.

310 Eligibility of States, Political Subdivisions, and Agencies (Continued)

D Updating Business Partner Records

Because different rules are applicable by program in how State and local government and public schools are treated, it is imperative that the business type is updated properly in Business Partner to reflect the determination required by this handbook.

County Offices must take the following action after COC determination for State and local government entities.

IF COC determines that 100 percent of the funds are...	THEN verify the State and local government entities are recorded in Business Partner with business type...
used to maintain public schools	“Public School”.
not used to maintain public schools	“State and Local Government”.

See 11-CM, Exhibit 10 for recording the business type code for Federal and State Entities, and Public Schools.

E Combine Public Schools

Because payments to public schools for some programs are limited in States with a population greater than or equal to 1.5 million, all public schools within those States must be combined. Determine whether payments to public schools within the State are limited according to this handbook.

IF the public school is in a State with a population of...	THEN...
greater than or equal to 1.5 million	all public schools within the State must be combined. Payments to the combined public-school entity must be *--limited to \$500,000 for ECAP or for ARC and PLC combined.--*
less than 1.5 million Note: States included are Alaska, Delaware, Hawaii, Idaho, Maine, Montana, New Hampshire, North Dakota, Rhode Island, South Dakota, Vermont, and Wyoming.	public schools within the State must not be combined. Payments to public schools are not limited in these States.

310 Eligibility of States, Political Subdivisions, and Agencies (Continued)

F Action by Noncontrol County

Noncontrol County Offices must follow this table for payments authorized according to subparagraph B, Exception 1, to a State producer.

Step	Action
1	<p>Notify State producers before the end of applicable signup that:</p> <ul style="list-style-type: none"> • State producers may agree to a method of disbursing program payments • a drawing will be conducted to select the payment order in which participating eligible State producers will receive program payments, if no alternative payment method is agreed upon by the State producers • State producers must contact the control County Office by the end of signup to give the alternative payment method agreed upon by all affected parties, if applicable <p>•*--the method used for selection will apply for ARC and PLC applications and a separate selection will apply for ECAP applications.--*</p>
2	<p>Send the following to the control County Office for all eligible participating State producers and participating legal entities in which the State producer has an interest:</p> <ul style="list-style-type: none"> •*--ECAP applications--* • ARC and PLC applications • CCC-902E's • CCC-941's.
3	<p>Notify affected producers of the results of the drawing conducted by the control County Office no later than 1 week after the drawing is held.</p> <p>Note: Notify the control County Office of any cancellations.</p>

310 Eligibility of States, Political Subdivisions, and Agencies (Continued)

G Letter to Combined State Producers

Send this letter to State producers subject to subparagraph B, Exception 1, no later than *--30 calendar days before the end of signup for ECAP, and again 30 calendar days before the end of signup for ARC and PLC.

Producer's Name	Date
Street	
City, State ZIP Code	
Dear Producer:	
<p>A State, including all political subdivisions and agencies thereof, is only eligible for payments under [insert "ECAP" or "ARC or PLC"] if the payments are used solely for the support of public schools. Total payments cannot exceed \$500,000 annually for [insert "ECAP" or "ARC and PLC, combined"]. To be eligible for payment, each legal entity must be determined actively engaged in farming and in compliance with highly erodible land conservation and wetland conservation provisions.</p> <p>If you intend to participate in [insert "ECAP" or "ARC and/or PLC"], you must enroll by [end of signup date]. No later than [end of signup date], all State producers should develop a method for disbursing program payments subject to limitation and inform the control County Office [give office name and address]. If no method is given, the control County Office will conduct a drawing, open to the public, on [second Friday after signup] at 10:00 a.m., for selecting the order in which participating State producers will receive payments subject to limitation. These payments are earned on State-owned land and used solely for the support of public schools.</p> <p>If a drawing is conducted, you will be notified of the results.</p> <p>Sincerely,</p> <p>County Executive Director</p>

310 Eligibility of States, Political Subdivisions, and Agencies (Continued)

H State Drawing, Control County

Control County Offices must use this table if it is necessary to conduct a drawing for State producers. The drawing must be open to the public and conducted at 10 a.m. on the second Friday **after** the end of signup or such other date is announced.

Step	Action
1	<p>Determine the number of State producers by counting each eligible contract or application subject to the same limitation and assign a number to each.</p> <p>Note: Include only timely filed contracts or applications in which the State producer has an interest.</p>
2	<p>Select by drawing the numbers assigned in step 1 until a payment order has been *--established for all State producers. For ECAP or ARC or PLC payment--* applications, use the calculated payment amount to determine when the limitation has been reached.</p> <p>Note: For both ARC and PLC payments, allocate the amounts to producers in the same order as determined by the drawing and issue payment when appropriate.</p>
3	<p>Notify the noncontrol County Offices of the results of the drawing.</p> <p>Note: Include a list of payment and designation order as determined in step 2 that indicates each producer's earnings subject to the applicable limitation.</p>
4	<p>Update the list in step 3 if any producers cancel their contract or application.</p> <ul style="list-style-type: none"> • Subsequent payments subject to the applicable limitations must be made in the order listed. • Total payments for ARC and PLC payments must not exceed \$500,000 for program payment limitation amount. •*--Total payments for ECAP payments must not exceed \$500,000 for program payment limitation amount. <p>Note: ECAP has a separate payment limitation from ARC and PLC.--*</p>
