---

### **Two contiguous counties in Idaho eligible for assistance**

**BOISE, IDAHO, June 18, 2024** - This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

According to the [U.S. Drought Monitor](#), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for eight or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

**Impacted Area:** Idaho, Montana

**Triggering Disaster:** Drought

**Application Deadline:** February 18, 2025

**Primary Counties Eligible:** Mineral, Montana

**Contiguous Counties Also Eligible:**

**Idaho:** Clearwater, Shoshone

**Montana:** Missoula, Sanders
