Federal Emergency Management Agency Designates Mississippi as Primary Natural Disaster Areas Due to Severe storms, Straight-line winds, Tornadoes, and Flooding

News Release | Louisiana | July 26, 2024

[View PDF](#)

This Presidential disaster declaration allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through emergency loans. Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

Impacted Area: Mississippi

Triggering Disaster: severe storms, straight-line winds, tornadoes, and flooding

Application Deadline: February 10, 2025

Contiguous Parishes Eligible:

State: Louisiana: St. Bernard and St. Tammany

More Resources On farmers.gov, the Disaster Assistance Discovery Tool, Disaster Assistance-at-a-Glance fact sheet, and Loan Assistance Tool can help you determine program or loan options. To file a Notice of Loss or to ask questions about available programs, contact your local USDA Service Center.

FEMA offers different assistance programs for individual citizens, public groups including government agencies and private nonprofit organizations. To find the FEMA help you need following a disaster event, visit [fema.gov/assistance](https://www.fema.gov/assistance)
