## **USDA Designates 2 South Dakota Counties as Primary Natural Disaster Areas for Drought**

**News Release | Wyoming | October 01, 2024**

[View PDF](#)

---

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

According to the [U.S. Drought Monitor](#), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for eight or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

**Impacted Area:** South Dakota

**Triggering Disaster:** Drought that occurred beginning 08/20/2024.

**Application Deadline:** 8 months from date the memo was signed (If the deadline date falls on a Sat. or Sun., make the deadline the following Monday. If the deadline date falls on a federal holiday, make it the next business day)

**Primary Counties Eligible:**

**South Dakota – Custer and Pennington**

**Contiguous Counties Also Eligible:**

**South Dakota – Lawrence, Meade, Haakon, Jackson, Oglala Lakota, and Fall River**

**Additional State:** Wyoming – Niobrara and Weston
