### **USDA Designates Counties in Maryland as Primary Natural Disaster Areas Due to Drought and Excessive Heat; Additional Contiguous Areas in Delaware, District of Columbia, Maryland, Pennsylvania, and Virginia**

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.
