

USDA Designates Winnebago County, Iowa, as a Primary Natural Disaster Area

News Release | Minnesota | August 30, 2021

View PDF

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through <u>emergency loans</u>. Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation or the refinance of certain debts. FSA will review the loans based on the extent of losses, security available and repayment ability.

According to the <u>U.S. Drought Monitor</u>, these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

Impacted Area: Iowa

Triggering Disaster: Drought

Application Deadline: April 11, 2022

Primary County Eligible: Winnebago

Contiguous Counties Also Eligible:

Iowa: Cerro Gordo, Hancock, Kossuth and Worth

Minnesota: Faribault and Freeborn
