U.S. DEPARTMENT OF AGRICULTURE

USDA Designates Washington County, Maryland, as a Primary Natural Disaster Area

News Release | Pennsylvania | January 21, 2022

[View PDF](#)

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation or the refinance of certain debts. FSA will review the loans based on the extent of losses, security available and repayment ability.

Impacted Area: Maryland

Triggering Disaster: Drought and excessive heat that occurred from May 5 through Sept. 30, 2021.

Application Deadline: Sept.19, 2022

Primary County Eligible: Washington

Contiguous Counties Also Eligible:

Maryland: Allegany and Frederick

Pennsylvania: Franklin and Fulton

Virginia: Loudoun

West Virginia: Berkeley, Jefferson and Morgan
