Applications Due by Feb. 23

EAST LANSING, Mich., Feb. 10, 2022 – The U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) is now hiring five program technicians in Michigan to increase service to farmers and ranchers in the state.

“Our FSA team helps farmers, ranchers and foresters in their communities every day, serving a vital role in our rural economics,” said FSA State Director in Michigan, Tim Boring. “FSA offers competitive pay and benefits, while demonstrating an ongoing commitment to create an evolving and dynamic work environment that recognizes the challenges of families today, such as with new telework capabilities.”

FSA Program Technician Positions are available at USDA Service Centers in:

- Berrien Springs
- Coldwater
- Jackson
- Mount Pleasant
- Saginaw

FSA's diverse culture and benefits allow for a healthy balance between your career and home life. In addition to a generous salary, FSA offers a friendly and professional working environment with a diverse workforce, and flexible hours and work schedules. Family-friendly benefits include paid vacation and sick leave, paid holidays, retirement and supplemental savings plan, a wide array of health, dental, vision, and life insurance plans, flexible spending accounts, and long-term care insurance.

FSA Program Technician Duties include:

- Carrying out office activities and functions pertaining to one or more of the program areas administered in the county.
- Interpreting and explaining procedures, program regulations and forms to producers and other agency personnel.
- Utilizing various web-based software applications to maintain producer data and processing automated forms.
- Using a high degree of initiative and judgment in planning and carrying out assigned tasks and resolving problems encountered.

FSA is an exciting and rewarding place to start, build, or continue your career. Be part of our team and support the well-being of American agriculture and the American public.
