USDA Designates Nine Massachusetts Counties as Primary Natural Disaster Areas

News Release | Massachusetts | August 31, 2022

[View PDF](#)

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation or the refinance of certain debts. FSA will review the loans based on the extent of losses, security available and repayment ability.

According to the [U.S. Drought Monitor](#), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

Impacted Area: Massachusetts

Triggering Disaster: Drought

Application Deadline: April 17, 2023

Primary Counties Eligible: Barnstable, Bristol, Dukes, Essex, Middlesex, Norfolk, Plymouth, Suffolk and Worcester

Contiguous Counties Also Eligible:

Massachusetts: Franklin, Hampden and Hampshire
