## USDA Designates Four Missouri Counties as Primary Natural Disaster Areas

**Emergency Designation | September 15, 2022**

[View PDF](#)

---

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation or the refinance of certain debts. FSA will review the loans based on the extent of losses, security available and repayment ability.

According to the [U.S. Drought Monitor](#), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

**Impacted Area:** Missouri

**Triggering Disaster:** Drought

**Application Deadline:** April 10, 2023

**Primary Counties Eligible:** Camden, Maries, Phelps and Pulaski

**Contiguous Counties Also Eligible: Missouri:** Benton, Crawford, Dallas, Dent, Gasconade, Hickory, Laclede, Miller, Morgan, Osage and Texas

### **More Resources**

On farmers.gov, the [Disaster Assistance Discovery Tool](#), [Disaster Assistance-at-a-Glance fact sheet](#), and [Farm Loan Discovery Tool](#) can help you determine program or loan options. To file a Notice of Loss or to ask questions about available programs, contact your local [USDA Service Center](#).
