2022 USDA Farm Service Agency County Committee Elections

News Release | Nevada | November 10, 2022

[View PDF](#)

USDA began mailing ballots Nov. 7 for FSA county and urban county committee elections to all eligible agricultural producers and private landowners across the country. Elections are occurring in certain Local Administrative Areas.

To be counted, producers and landowners must return ballots to the local FSA county office or have postmarked by Dec. 5, 2022. County committees are unique to FSA and serve as a direct link between agricultural communities across the country and USDA.
