

USDA Designates Six Illinois Counties as Primary Natural Disaster Areas

News Release | Kentucky | November 29, 2022

[View PDF](#)

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation or the refinance of certain debts. FSA will review the loans based on the extent of losses, security available and repayment ability.

According to the [U.S. Drought Monitor](#), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

Impacted Area: Illinois

Triggering Disaster: Drought

Application Deadline: July 1, 2023

Primary Counties Eligible: Alexander, Johnson, Massac, Pope, Pulaski and Union

Contiguous Counties Also Eligible:

Illinois: Hardin, Jackson, Saline and Williamson

Kentucky: Ballard, Livingston and McCracken

Missouri: Cape Girardeau, Mississippi, Perry and Scott
