[USDA Designates Two Iowa Counties Natural Disaster Areas Due to Drought in South Dakota](#)

News Release | Iowa | June 06, 2023

[View PDF](#)

This Secretarial natural disaster designation allows the United States Department of Agriculture (USDA) Farm Service Agency (FSA) to extend much-needed emergency credit to producers recovering from natural disasters through [emergency loans](#). Emergency loans can be used to meet various recovery needs including the replacement of essential items such as equipment or livestock, reorganization of a farming operation, or to refinance certain debts. FSA will review the loans based on the extent of losses, security available, and repayment ability.

According to the [U.S. Drought Monitor](#), these counties suffered from a drought intensity value during the growing season of 1) D2 Drought-Severe for 8 or more consecutive weeks or 2) D3 Drought-Extreme or D4 Drought-Exceptional.

Secretarial Declaration Number: S5474

Emergency Loan Application Deadline: April 1, 2024

Primary Counties Eligible: Primary counties located in South Dakota

Contiguous Counties Also Eligible: Lyon and Sioux (Iowa)

Disaster Description: Drought. June 6, 2023, beginning date of incident period.
