Information Required for Farm Number

Producers can establish a farm with Farm Service Agency (FSA) if they plan to apply for a program administered by FSA or another USDA agency that requires a farm number. To establish a farm, the following documentation can be provided to your local FSA office:

1. FSA form AD-2047 to collect personal information including address, Social Security Number, phone number(s), fax number(s), email address, etc., for **each member** of the farming operation,.

If the farming interest is through an entity, the same information must be provided for the entity.

2. Copy of the deed or other legal document that transferred ownership of the property to you with all required signatures and stamps to show it has been notarized and recorded. Ownership information must be provided for all the agricultural land in which there is an interest (i.e. owner, operator, tenant, etc.), not only the farm that will be enrolled in an FSA or other USDA agency program.

If you lease a farm, a deed must be provided to FSA to establish the farm, in addition to a copy of the lease(s) to verify the current operator or tenant on the farm.

3. If the property is owned and/or operated through an entity (i.e. corporation, LLC, partnership, etc.), copies of the official documents must be provided for the entity. This is required by federal regulation as verification for: (1) the representative authorized to sign for the entity, and (2) the entity exists and is recognized by the Colorado Secretary of State, if applicable.

4. A map is not required to be submitted, but may assist FSA staff in locating property. Assessor account numbers, parcel IDs, and/or legal descriptions will also help us locate the property.

Additional information may be requested, as required by FSA handbook 10-CM.

Once the farm has been established, it will be assigned a farm number. The farm number is used by other USDA agencies for the program applications (i.e. NRCS uses farm numbers for EQIP applications, etc.). Producers will also be included on FSA's mailing list and will receive monthly newsletters and other general mailings pertaining to USDA programs.
